PETITIONING THE COURT

To modify the conditions of supervision as follows:

CAUSE

The defendant is currently in custody serving the original sentence imposed by the Court with a projected release date of September 15, 2011. The defendant had hoped to return to Nevada. The U.S. Probation Office in the District of Nevada denied the defendant's release plan, as he has no residence. The defendant reports he has no other release options and is indigent. He is desirous of a public law placement at the Residential Reentry Center in Spokane for 90 days. This placement will provide the defendant an opportunity to find employment and accumulate funds to establish himself in the community. The defendant has agreed to this modification and has signed a waiver to that effect, which is enclosed.

The government was contacted and had no objections to the requested modification.

I declare under penalty of perjury that the foregoing is true and correct.
